WEEK 1&2

環遊世界美食週 The Art of World Cuisine

Continuing our journey, we are now going to travel around the world to enjoy some of the most famous and interesting cuisine. We are making fresh pizza and tacos from the scratch, learning the techniques of making risotto and ratatouille, and tasting delicious croissants and German chocolate cake. Students will learn the fun facts and cooking techniques of different countries' cuisines and make a variety of tasty dishes.

WEEK 3&4

兒童藝術創作週 Creative Art Workshop

Through Creative Art Workshop, students get a chance to discover their own creativity and express their artistic talents in their works everyday. Join us to create arts from various medias and techniques. Students are going to explore the fun side of painting, drawing, sculpting, color blocking, 3D molding and many other fascinating art projects.

WEEK 5&6

亞洲經典美食週 The Art of Asian Cuisine

Are you ready to travel around Asia and taste the most authentic of delicacies? Do you want to learn how to make the hand-made Chinese dumplings and Japanese Sushi? Have you ever made your own Thai noodle bowl or Tandoori chicken? From savory to sweet, students are going to learn how to cook foods and snacks from different countries of Asia. Explore the cultures and stories behind the fascinating Art of Asian Cuisine.

WEEK 7&8

科學奧妙探索週 Exploring the Mysteries of Science

The science sessions will be filled with fascinating wonders through classes in Chemistry, Physics, Math, and Biology for all ages. Students will enjoy the hands-on experiments through different topics.
